Situation Decidedly Sortous.

CHARLESTON, W. Va., July 6. The situation in the F at Top mining region is decidedly serious. It looks as though the entire military force of the State would be necessary to quell the threatened disturbance. United States Marshal Garden left Wheeling for Bluefields this morning with a force of deputies. Al 11 o'clock last night Gov. MacCorkle received a telegram from Elikoun that All 10 clock last night Gov. MacCorkle received a telegram from Elkhom that the greatest excitement prevailed over the whole mining region.

Large mobs of armed men are passing from one mine to another, driving non-union men across the State line is to Virginia, and threatening to burn the property of the coal companies and destroy railioad property. Four hundred armed miners charged inon the Crozler Coal

They are now marching on other colleries. The Governor has been informed that special trains are in which go carry the troops, who are now in their armorles.

SPRINGFIELD, Mo., July 6. The recent heavy rains developed into a water soont early this morning. The downtour of rain visitled the town of Winona is Shannon county early this morning and twelve persons were drowned. At 2 Clock this afternoon seven bodies were recovered from the flood, which washed cown through the place since late last light.

Lowlands in this vicin ty were demolished by the rushing waters. Adjoining towns have been telephoned for help and railroads are arranging for rellef trains to come to the rescue of the imperied tatives.

The downfall of rain still continues. The wires are down so the full particles are cannot be obtained.

Two currents near the Methodist Spiscopal church joined forces jard urned east. In the track of the current going morth the passenger depot was lamaged? Further on much damage was tone to residence property, shade trees and everything in the way. The current going west seems to have been the stronger. It struck some of the residences west of the freight depot, doing serious damage, but when itleared to the yards of the railroad 29 feet, cars were thrown from the track and badly lamaged. The depot was wrocked.

From the railroad track on to the point of meeting the damage to property was not great. After the two currents meet the Methodist church was totaily certain the first of the point o to the yards of the railroad 29 feet, cars were thrown from the track and badly lamaged. The depot was wrecked.

From the railroad track on to the point of meeting the damage to property was not great. After the two currents uset the Methedist church was totally cestroyed. A large store was also damaged and a blacksmith shop was swept away. The Christian church was relaced to kindilig wood. The storm struck further along and not a resilience secaped being badly wrecked. The Cestidental Hotel, now used as an Opera House, was struck by lightning and lamaged. Four large hay barns were wrecked.
